TECHNOLOGY POLICY:

Chop Point realizes the value of modern communication and technologies. We depend on it to communicate with campers, staff and parents throughout the year. It is integral in how we advertise and communicate with those interested in Chop Point. In the camp setting, however, we find the constant ability for campers to stay in touch with everyone via cellular phones, texts and social services (such as Facebook, Twitter, and MySpace) to be detrimental. We have seen campers so engrossed in what is happening or not happening hundreds or thousands of miles away, that they are unable to make connections with those who share a cabin, meal, or trips with them at camp. To allow campers to unplug, get fully involved, and enjoy their summer experience, we do not allow campers to use cell phones or other communication devices while at camp. We do allow and encourage campers to stay in touch with family and friends via: mail, camp landline phone, or email. Campers may call home using a phone in the lodge or receive calls to the camp line during meals. Email can be received on personal accounts or can be sent to camp@choppoint.org with the camper name in the subject line (it will then be printed and delivered with traditional mail). Campers may sign up for email time directly after lunch and dinner to send messages from web-based personal accounts to family and friends.

Campers may use a cell phone while traveling to/from camp, especially if they are using public transportation. The cell phone must be stored in the camp office until it is needed for the trip home. We appreciate your understanding and help with this issue.

2010 CAMP SEASON INFORMATION SHEET

MEDICAL EXAMINATION

The Medical History and Release Form prepared by the American Camping Association is mailed to parents or can be downloaded from our Web site. **The form must be completed and signed by a physician prior to camp.**

WHAT TO BRING

Chop Point does not provide a specific clothing list. Campers dress informally in casual clothing including shorts, T-shirts, long-sleeve shirts, and jeans. Summer weather in Maine typically ranges from the warm 70's and 80's by day to the cool 50's and 60's at night. Other necessities include warm pajamas, a rain suit (for canoeing, kayaking, biking & hiking trips), sleeping bag, laundry bag, at least 2 Sunday outfits, bathing suits, several changes of socks and underwear, shoes, rugged outdoor shoes for hiking trips, towels, soap, toothbrush, and a flashlight.

Optional items include a phone card, backpack, writing paper, Bible, beach towel, tennis shoes/sandals, sports equipment, camera, musical instrument, art supplies, fishing gear, books, bicycle, and a waterproof bag for keeping sleeping bag dry on canoe/kayak trips. Personal (hand-held) radios/music players may be used only in the cabin, with earphones, at the discretion of the staff. We provide sheets, blankets, pillow cases, and pillows.

Please DO NOT BRING: a knife, hunting equipment, a computer, a DVD player or video iPod, a game boy, pets, or vehicles.

LAUNDRY

A rough-dry laundry service is included in the fee. Camper laundry is cleaned once each week during their stay. Dry cleaning is not available. Chop Point assumes no responsibility for lost or damaged personal property. **All clothing MUST be labeled with the first and last name. A laundry marker works best.**

CONTACTING CAMPERS

The best time to call campers is during meals, (8-8:30am, 1-1:30pm & 6-6:30pm) at 1-207-443-5860. You can also email campers from our Web site (www.choppoint.org) or send regular mail to 420 Chop Point Road, Woolwich, ME 04579.

TRANSPORTATION

The Portland International Jetport is 1 hour south of Chop Point, and campers are met at the airport by a staff member who transports them to Chop Point. In addition, campers are transported back to the airport for their departure at the end of camp.

General airport information: 1-207-774-7301

The following international airlines fly daily in and out of Portland (airport code is PWM).

USAirways 1-800-428-4322 (usairways.com) Delta 1-800-221-1212 (delta.com) Northwest 1-800-225-2525 (nwa.com)
Continental 1-800-525-0280 (continental.com) United Express 1-800-241-6522 (ual.com)

Because there are few direct flights to Portland, most campers have layovers in Washington, Philadelphia, Newark, or Boston. If you have a choice, we highly recommend connecting in Boston. When flights are delayed or cancelled, we can usually help arrange alternate transportation to/from Boston much easier than any other city on the east coast.

FLYING TO AIRPORTS OTHER THAN PORTLAND JETPORT: The airports in Boston, MA and Manchester, NH are each 3 hours away from camp; transportation to/from these airports is **not provided** by Chop Point. If campers travel to/from these airports, parents **MUST** arrange their own travel to/from Chop Point or Portland. Concord Trailways operates bus service into downtown Bath, which is about 15 minutes away from Chop Point. Campers are met by staff at the station in Bath. An average one way fare from Boston to Bath, Maine is between \$25 and \$35. Shuttle services are available from Boston/Manchester to Portland for approximately \$50 each way. Call Mermaid Transportation at 1-800-696-2463. Services from Boston directly to Chop Point cost approximately \$120 and can be arranged by calling Classy Limo & Shuttle Service at 1-800-499-0663. **Airline regulations require that all campers flying as Unaccompanied Minors MUST fly into Portland, MAINE, so they can be met by camp staff at the gate.** When flying to/from the U.S., this applies to campers between the ages of 12 and 15. Please ask for details when flights are booked.

OPTIONAL ADVENTURE TRIPS - 2010

Each summer, we schedule several optional adventure trips that campers find exciting and rewarding. The trips always provide memorable experiences. You can participate in as many or as few trips as you'd like, as long as none conflict with each other. Trips vary in length and are planned for the abilities of the participating campers.

Trip sign-ups occur the first two days of each session. Rarely is a trip cancelled, but if fewer than five people sign up it may be necessary for us to do so. Because reservations have to be made, there is a \$25 fee for those who drop or add a trip after the cut-off date (typically the third day of the session). In addition, some trips may be limited in space due to group size regulations in certain areas (such as the White Mountains).
